CLUB NOTES

POOR RECORD IN AWAY MATCHES

Three home wins (including progress in the Football League Cup against gallant opponents from Crewe) and three away defeats—that is North End's record for the new season so far, and it can obviously be greatly improved upon in one respect. There will be an opportunity on Monday night when we are due to play at Millwall.

Not only have we lost every away match but returned from Plymouth, Blackburn and Portsmouth without the consolation of a goal. This extremely disappointing record is accentuated by the fact that Preston and Blackpool, who have also lost all their away matches, are the only League teams without an away goal.

The side's bright display against Hull City at Deepdale a fortnight ago proved again that as constituted our forte is attack rather than defence. No one will grumble about two goals being conceded if there are four on the credit side, as in the match with Hull. Even these two were the penalty of relaxing when four up.

What a different story it was at Ewood Park four days later. Against strong spoiling the forwards never found the rhythm and aliveness conspicuous in the preceding home game. The longer the match lasted the less effective they became. Lapses in defence were responsible for a goal against us in each half without reply.

At Portsmouth our defence again was shaky and suspect under pressure in a mediocre game, and "Pompey" gained their first home points of the season 2-0.

CLUB NOTES—*continued*

Cohesion and initiative were lacking in North End's attack, which suffered a depressing fade-out. Even so, as at Blackburn, we had our chances to score.

There was another late rally, with Portsmouth ahead with goals from well-taken shots, but scoring opportunities again were not accepted. This second successive forward failure made changes inevitable for Wednesday's League Cup-tie with Crewe at Deepdale. Our line-up was Wilson, Hannigan, Dawson, Godfrey and Lee.

Although we finally won through against plucky opposition the new attack was livelier and more direct and, apart from missing three or four easy-looking chances, may be said to have functioned satisfactorily. There was certainly no want of scoring attempts, Crewe being peppered practically throughout the first half.

Indeed when the game was an hour old every North Ender except Singleton and Kelly had had a go, frequently without a scrap of luck, as Dawson who fully deserved a so elusive goal in first team games, and Hannigan, who hit a post, would ruefully agree. Both were twice foiled by excellent saves by Willie Mailey.

This small but agile Scot was Crewe's hero. He made at least a dozen saves, three or four of them top-class, such as his flick over the bar of a terrific drive by Godfrey in the first minute. Ironically the first goal was from a clearance which rebounded off him. Lee shot a grand second 10 minutes from time.

A crop of exciting incidents made it less of a penance for the 6,397 crowd to watch the game in pouring rain. Crewe proved themselves gallant underdogs with a brave fight back after a hopelessly one-sided first half. They made no fewer than 10 scoring attempts. Kelly saved several and one hit a post.

OUR VISITORS—*Birmingham City*

A hearty welcome to Birmingham, who returned to Deepdale last season on being relegated. Like ourselves "Brum" have had a chequered career, having been up and down six times, as in the case of P.N.E., they have spent many more seasons in the First Division (38) than in the Second (25).

Relegated with the Wolves in April 1965, they are determined to get back as soon as possible. To that end they have appointed Stan Cullis as manager. Their descent ended their second longest spell in the top flight—10 seasons. The best was a run of 18 seasons from 1921 to the last season before the second World War.

Birmingham since the war have not been quite good enough to be sure of holding First Division status, while rather above the general standard when in Division II. In recent successive seasons they occupied positions perilously near the bottom—20, 20, 17, 19 and 19 and eventually were squeezed out. In Division II, it was a different story. Their placings in the five seasons before being promoted were 1, 7, 6, 3, 4 and in the previous two 1 and 3. Last season they finished 10th.

Birmingham have found Deepdale a somewhat barren spot since the war. Beaten there by 5-0, and subsequently relegated, Brum have scored only nine goals in their ten most recent visits to North End. Three of these, when we went down in 1961, brought Birmingham's solitary victory—by 3-2. Of the rest North End won five and drew three. Last season's meeting ended 3-3.

The best remembered of these victories is, of course, the 8-0 thrashing administered by North End in 1957-58 when Tom Finney was leading the attack. He scored two wonderful goals. It was our biggest win for 57 years.

OUR VISITORS—*continued*

If you ask "Who, in football, were known as the Heathens?" most people look puzzled and are unable to answer this teaser. It was Birmingham's original nickname when founded in 1875 as Small Heath Alliance. As Small Heath, Birmingham were one of the first members of League Division II in 1892.

They changed to Birmingham in 1905, when in the First Division for the third time, thereby acquiring readier recognition and greater substance and, by way of adding more dignity, changed again to Birmingham City in 1945. They were the first football club to become a Limited Company—from 1888.

SPECTATORS ON PLAYING PITCH

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators came on to the pitch during the course of the Central League game with Blackburn Rovers. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
